

## Sponsorship and Support

Unfortunately many children miss school on a daily basis, either through sickness or financial need. Many parents cannot afford to send their children to school, despite the subsidies provided by Education for Life. By choosing to sponsor a child you can ensure that their education continues, increasing their chances of finding employment in later years. Your sponsorship not only covers the cost of their education, but also provides the child with a uniform, stationery, textbooks and a daily meal, all necessities that few schools in the area provide.

At Education for Life, we seek to develop services that people need like fresh water and secure housing. Projects like the feeding programme (feeding upwards of 650 people daily) and others that promote hygiene awareness help the local community, but they require regular support.

Please help by sponsoring a child today or by making a donation that will contribute to the ongoing operations of Tumaini Timbwani School and the ministry of Education for Life.

Thank you

Education for Life enjoys the support of numerous organisations and individuals across the globe and has partnered with the following charities in a special way:

**LightForce International**

## Education for Life

From a small seed...

# Tumaini Timbwani School

Education for Life, a UK registered charity, has been operating in Kenya for over a decade. Focusing on Mombasa and specifically the neighbourhood of Likoni, the organisation has joined with others to establish a multi-faceted educational programme under the banner Tumaini Timbwani School.

Situated just south of Mombasa, Tumaini Timbwani School includes a nursery, primary school, high school and an orphanage, providing education for children of all ages. With over 500 students and 70 staff, it is a huge blessing for people in the local community, with projects that help nurture life in Timbwani and the surrounding villages.

The school aims to give children not only the best academic education possible but an opportunity to grow into young adults who are ready to contribute to their community and country. The school not only has a standard academic curriculum, but also offers a variety of practical subjects such as carpentry and home science. Practical lessons give the students an insight into future life, teaching them how to cook on a budget and how to make the most of the resources available to them in their environment.

*giftaid it*

If you are a UK tax payer Education for Life can claim back a percentage of the tax paid on your donation through Gift Aid.

I wish Education for Life (UK Reg. Charity No. 1078088) to treat all donations, until I notify you otherwise, as Gift Aid donations.

Signature:..... Date:.....

Please note:

1. Gift Aid allows Education for Life to reclaim the tax you have paid on all donations.
2. You must pay an amount of tax at least equal to the tax we reclaim at the tax year.
3. If you pay tax at the higher rate you can reclaim further tax relief in your self assessment.
4. This will not affect your tax status and can be cancelled at any time.
5. Sponsorship donations are used for the benefit of your sponsored child/project and the running costs of that project.
