Shalom

Thank you for being so generous and kind. You are bringing light to children and their families. Joining hands across the world builds a bond and shares the load. God bless you!

In times of trauma, unrest and uncertainty, we all crave Peace - an anchor for our soul, renewal for our minds, refreshment for our bodies. The world changes and shakes around us, but there is a place we can find peace. As we approach December, our thoughts move toward Christmas and a desire for Hope, Joy, Celebration.

"A child will be born to us. God will give a son to us. He will be responsible for leading the people. His name will be Wonderful Counsellor, Powerful God, Father Who Lives Forever, Prince of Peace. Power and Peace will be in His Kingdom. It will continue to grow." As we begin to shift our gaze upward, we open the door for revelation, strategies and solutions for change!"

WOW - SHINY ON THE OUTSIDE & THE INSIDE!

Christine and Ben admire the new, environmentally friendly jikos (stoves) before the team get to work preparing tasty meals for children and staff. What a blessing to prepare daily meals knowing that we are stewarding the environment better too!

Thank you!

Eating Eggs is always FUN - especially when you can prepare and cook them yourself! Introducing Home Science to primary school children adds a new dimension to school. We love CBC!

Surprise Encounters

It was great to be greeted with a friendly smile at Carrefour Supermarket. Mohamed, from behind his facemark, asked, "Hi! Do you know me?" It's some years since he left Tumaini High School and he's now a husband and father too. A hardworking young boy throughout school, Mohamed has great opportunities open to him, employed by an international company.

Jenga Maisha - Build Life!

Singing and Dancing - fun-filled

entertainment for parents, teachers and fellow students, supporting as children performed for their National Assessment. Children eloquently recited poetry in Kiswahili and English and they really enjoyed preparing their costumes for the event. We, in the audience had to promise to keep quiet, even if there was a song we knew, as the children were being graded for assessment. Laughter filled the air as children invited teachers and other members of staff to join in some dances. We ended with a beautiful moment as children took their parents by the hand, escorting them onto the 'stage' to join them in dancing to a popular song, 'Mkono wa Bwana', by Zabron Singers.

Thank you for your love and care! Peace be with you!
