

Jenga Jamii, Jenga Maisha

“Jenga Jamii, Jenga Maisha” Kiswahili words meaning, “Build Community, Build Life” and that’s what Education for Life is all about, committed to helping children build well, grow together, taking their place within community.

Tumaini Timbwani offers Competency Based Curriculum from Pre-Primary to Grade 12.

By choosing to sponsor a child you can ensure that their education continues, increasing their chances of finding employment or starting a business. Your sponsorship not only covers education, but also provides uniform, stationery, a daily nutritious meal and builds the community.

All of our projects take considerable funds to run, so we, and the families here, really appreciate it when you make a one-off or a regular donation.

Your gift will contribute to the ongoing operations of Tumaini Timbwani and projects of Education for Life.

Making a donation is easy; you can complete the form on the reverse or via our website www.educationforlife.net
